FBIS-0224/87
13 October 1987

Memorandum for: Chief, Operations Group
Chief, Analysis Group
Chief, Production Group
Chief, Panama Bureau
Chief, Key West Bureau

From: [redacted] 25X1
Deputy Chief, Liaison and Requirements Branch

Subject: FBIS Collection Requirement No 87-15 [redacted] 25X1
Supersedes: FBIS Collection Requirement No 84-11

1. This is the updated National HUMINT Collection Plan [redacted] 25X1 which lists FBIS as a primary collector for many objectives. These objectives should serve as your guide for selection and processing information [redacted] 25X1 from sources available to you. FBIS components should read page 5 for the Community's assessment on our contribution to the collection effort. FBIS receives kudos for reporting on narcotics developments, especially narcotics seizures, but expanded coverage from regional publications has been suggested. We welcome your comments on this plan and the objectives with which FBIS has been tasked. [redacted] 25X1

2. An "Official Use Only" version is included for use in the field and by JPRS contractors. For easier use, Liaison has marked the FOUO version to show which objectives are FBIS priority collection goals and whether we are the primary or supporting collector. The Community will evaluate FBIS performance on these objectives. An unclassified version of the key personalities list is also included as a selection guide. The field does not need to keep this memorandum or the classified version of the collection plan. [redacted] 25X1

3. For internal control purposes, both versions of this plan on [redacted] are designated FBIS Collection Requirement No 87-15. This supersedes No 84-11 which should be destroyed. 25X1
